Map Functions

Below is an overview of different buttons and icons on the map display. For more detailed information about this screen, please see the Owner's Manual.

To access the map, press the **(MAP)** button.

Navigation Menu

To access the Navigation Menu, touch [**Navigation Menu**].

Go to a Destination

The following example briefly describes how to input a destination.

1 Touch [Go to] from Navigation Menu.

2 Select a destination input method. ([Find Address] is selected.)

3 To change the country, touch the button with the country name. Enter a country name and select the country from the list.

4 Type in the city name or postcode until displayed in the selection list. Select the matching entry.

5 Type in the street name until displayed in the selection list. Select the matching entry.

- 6** Enter a house number. Touch [Done] to access the confirmation screen.

- 7** Touch [Select] to initialize route calculation and start navigation.
